

# TREASURERS' CALENDAR

Timely topic meetings are held on the alternative second Monday's and Tuesday's of every month. During these sessions, we provide valuable content on a relevant subject. The sessions begin at 7 PM and last no longer than two hours.

On the third Thursday of each month, a Breakfast Drop-in session is available, and on the fourth Friday, we host a Lunch Time Drop-in session. Both will be accessible for approximately one hour. The session is open to all who wish to participate in a Q&A. Beginning at 8:30 am on Thursday and 12:30 pm on Friday, the sessions will last approximately one hour.
